

"The Lions Kids Cancer Genome Project"

"This project has the potential to help kids and their families, not only in Australia but also around the world, and shows once again the extraordinary vision and generosity of the international Lions community."

Professor John Mattick AO
Executive Director of the Garvan Institute
of Medical Research

FAA,

Every Child deserves a chance at a healthy life"

A joint initiative of the Garvan Institute of Medical Research, the Lions Clubs International Foundation and the Australian Lions Childhood Cancer Research Foundation, working in collaboration with the Children's Cancer Institute and the Zero Childhood Cancer Program.
