

## **Lion Sandy Royal**

Sandy Royal is married to PDG Rob and is the mother of two adult sons and grandmother of 2 grandsons (unfortunately currently living in Oman!).

Sandy did full time ballet for a few years after leaving high school but has worked most of her life in Secretarial/Administration roles. In the later years of her working life Sandy ran her own business, Sandy's Office Services (SOS) where she worked as the Foundation Manager of the State Library of SA Foundation. At the Foundation she worked closely with the Chair of the Board and Board members and was responsible for all administration activities, organizing of fundraising events and general PR activities. Sandy has lived and worked in Adelaide, Perth, Melbourne and Canberra.

Sandy became a member of the Lions Club of Burnside 21 years ago. While a member of Burnside she held many roles including President (3 years) and Secretary. In 2015 during Robs term as C1 District Governor, Rob and Sandy retired and moved to Clare in South Australia in the beautiful Clare District. At the end of Robs year as DG we both transferred to the Lions Club of Clare District where she has held the position of Secretary.

At District cabinet level she has been an active member of the Skin Cancer Screening committee and is currently District 201C1's Disaster Relief Coordinator. Being passionate about youth in our society, in February 2018 she was appointed as the C District Trustee for the Australia Lions Childhood Cancer Research Foundation for a term of 3 years
